Report of Principal and School Improvement Council

Throughout the 2011-2012 school year, Chapman Elementary School has remained focused in its data driven approach that fosters academic growth for all students. . The Chapman Elementary family was thrilled to be named a Palmetto Sliver School for the second time in three years. This award is bestowed by the state to schools whose students have shown substantial gains on the PASS test. The utilization of Measures of Academic Performance data along with Domine testing provided teachers with the necessary information to meet the individual learning needs of all students. The in-depth focus on scientific-based strategies has enhanced our daily instructional delivery in the classroom to ensure student success.

Chapman Elementary continues to ignite the curiosity of the technology-minded student. The infusion of technology into a balanced curriculum enhances and enriches the academic program and gives students a vibrant 21st century learning environment. On a daily basis, the use of technology is integrated into the curriculum, and connections are made with the use of real-world technological applications designed to allow students to become effective problem solvers and communicators. With all classrooms at Chapman equipped with state-of-the-art interactive technology equipment, students are able to research, apply, and present what they are learning in creative and cutting-edge ways.

Programs such as RIF, Accelerated Reader, Classworks, educational trips, and Boys and Girls Club support and strengthen the standards-based instruction that our teaching staff provides daily. Additionally, a strong and active Parent Teacher Organization, Student Council service projects, Environmental Club projects(which earned the club the distinction of Disney Planet Challenge State Winner), and mentoring relationships with AmeriCorps, local businesses, and churches help our students gain a strong sense of community. Our students embody the school motto: Chapman Chiefs are Learners Today, Leaders Tomorrow!

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
